- Metal pocket clip and wrist strap for portability
- Dust proof and water-resistant
- Powered by the supplied rechargeable Li-ion battery or 2 x CR123A batteries (available separately)
- Supplied with USC-C charging cable

DESCRIPTION

This powerful torch can produce 1,200 Lumens and its beam reaches up to 180m. It has five light settings: eco, low, medium, high, and strobe. In eco mode, it can run for up to 23 hours and be fully charged in just 2.5 hours. It is powered by a rechargeable lithium-ion battery and comes with a USB port for easy charging using the provided USB-C cable. An LED indicator shows battery capacity and charging status. It can also be powered by 2 x CR123A batteries (sold separately). The flashlight is made of durable aluminum, capable of withstanding a 2m drop, and is also dust and water-resistant. It comes with a metal pocket clip and a wrist strap for easy portability.

CONTENTS

1 x USB-C cable
