DESCRIPTION

This limited edition advent calendar is the perfect countdown for motor enthusiasts. Created in collaboration with Santa Pod Raceway, the bold design features Father Christmas on the famous drag strip. This calendar gives back too, with £1 from each calendar sold donated to Ben, the charity that provides support to people who work in the automotive industry. Open each door to reveal a tool kit that will be complete by Christmas Eve, featuring 62 specially selected tools hidden behind 24 doors. The set includes a soft grip T-handle, a wide range of 1/4" square drive 6-point sockets, 1/4" hex 25mm screwdriver bits, and hex keys arranged in a holder and more. The calendar also comes with a robust storage case to keep everything safe and organised, and it even includes a handy bottle opener.
