BRAND Draper

WARRANTY Lifetime

FEATURES

- Made from aluminium
- 180° centre vial and two 90° vials
- Easy-to-read graduation marks
- UV and shock-resistant vials and rubber end caps
- Hang holes for easy storage

DESCRIPTION

These aluminum I-beam spirit levels feature three vials: a 180° vial and two 90° vials. It has easy-to-read graduation marks on the top side, starting from zero cm in the middle and extending both left and right. The vials are UV and shock-resistant, while the rubber end caps provide added protection if the level is dropped. There are hang holes at both ends for easy storage. The accuracy is 0.5mm in a standard working position.

Stock No.	Size
29060	600mm
29062	1200mm
29065	1800mm
