Round Sash Paint Brushes

BRAND Draper

WARRANTY Consumable Warranty

FEATURES

- Designed for detail work using all paints and varnishes
- Pointed synthetic filaments provide a fine finish with minimal brush marks
- Chrome plated ferrule for durability and corrosion resistance
- Long plastic handle for comfortable grip and extra control

DESCRIPTION

These round sash brushess are designed to work on profiled surfaces and for detail work with all types of paints and varnishes. Each brush has pointed synthetic filaments which provide a fine finish, leaving minimal brush marks. The chrome plated ferrule used in the brush is corrosion resistant, ensuring that it is durable and long-lasting. The brushes also feature a long plastic handle, which makes it comfortable to grip and provides extra control.
