FEATURES

- Low kickback Oregon® bar and chain
- Tool free chain tensioner
- Large fell handle
- Automatic chain lubrication and oil level indicator window
- Automatic chain brake
- Requires two D20 batteries (sold separately)
- D20 batteries and chargers sold separately
- D20 interchangeable battery system allows you to combine the same battery/batteries with any of the tools within the D20 series

DESCRIPTION

A compact, powerful and lightweight chainsaw that utilises D20 multi-tool battery technology. Fitted with a host of features including a low kickback Oregon© bar and chain, easy to use tool-free chain tensioner, larger than-average fell handle, automatic chain brake, automatic chain lubrication and oil level indicator window. All these features result in a chainsaw ideally suited for use with forestry, agriculture and garden activities. This chainsaw requires two D20 batteries. Batteries and chargers are available separately.
