BARCODE 5059482051319

WARRANTY Lifetime

FEATURES

- Designed for the swift removal of skirting boards, mouldings and flooring
- Manufactured from heat treated carbon steel
- Wide range of other uses including removing or lifting tiles and pulling nails out
- Large contact area measuring 100 x 275 x 80mm
- Lightweight and fitted with a comfortable handle to help prevent hand fatigue

DESCRIPTION

This durable skirting and trim puller is for the swift removal of skirting boards, mouldings and flooring. It can also be used for nail pulling, lifting tiles, as a bottle opener and pry bar. It is manufactured from heat treated carbon steel. Measuring W 100 x H 275 x D 80mm, this large contact area disperses the force to reduce the risk of damage. The puller is lightweight and fitted with a comfortable handle to help prevent hand fatigue.
