BRAND Draper Expert

WARRANTY Lifetime

FEATURES

- Specifically designed for use with an impact driver
- The shock absorbing torsion design increases torque performance
- Precision ground tips prevent cam out and screw damage
- Made from S2 steel for durability and long life
- Highly visible laser-etched size markings

DESCRIPTION

These 1/4" hex Cross Slot/PH Type impact screwdriver bits are made from S2 steel, which is correctly hardened and tempered for durability and long life. Each has a blackened hex shank with a shot blast finish and precision ground tips to prevent cam out and screw damage. The shock absorbing torsion design increases torque performance. There are highly visible laser-etched size markings on the hex shank. Specifically designed for use with an impact driver.
