

12V Analogue Tyre Inflator

STOCK No. 13274 **BRAND** Draper

BARCODE 5059482041761

WARRANTY 12 months parts and labour

FEATURES

- Designed for the rapid inflation of car, bicycle, motorcycle and small commercial vehicle tyres
- The three adaptors make the inflator suitable for inflating smaller products, such as balls and toys
- Features a built-in LED worklight and a three metre 12V power cord with a "cigarette" type adaptor plug, and includes a spare fuse
- The dial readings are in psi/bar
- Built-in compartments for the power cord, air hose and accessories

DESCRIPTION

This 12V analogue tyre inflator is designed primarily for the rapid inflation of car, bicycle, motorcycle and small commercial vehicle tyres. It's also supplied with a range of adaptors (three) to make it suitable for the inflation of balls, toys and other inflatable products. It features a built-in LED worklight and has a three metre power cord with 12V power plug and includes a spare fuse. Dial readings are in psi/bar, and the inflator has built-in compartments for the power cord, air hose and accessories.
