DESCRIPTION

This rechargeable head torch is made to a high specification, incorporating a 6W COB LED and SMD LED. There are four brightness settings (spot, low flood, medium flood and high flood) offering between 25-400 Lumens. Simple on/off push button operation that is also used to select the brightness setting. Approximate runtime 4 to 21 hours depending on setting. Fast 3-hour charge time. The torch can be charged directly using the supplied USB-C cable or via the Draper Wireless Charging Pad (Stock No. 65789 and 65793). The soft elasticated headband strap can be adjusted for a comfortable optimal fit. IP65 rated.
