FEATURES

- Unique combination: Front grip and side grip function, box joint, push button adjustment
- Very slim pliers let you work even in confined installation spaces with a narrow turning zone for fast results
- High-grip front jaw with robust teeth and high gear ratio at the tip of the mouth
- Durable and resilient due to the robust box joint
- Five-way adjustable slip joint with push button adjustment for precise adjustment of gripping capacity
- Gripping, tightening and loosening screws with worn heads and threads
- Large front and side gripping capacity for diameters and widths across flats 4 - 22 mm
- Pinch stop reduces the risk of crushed fingers
- Reliable front gripping of flat workpieces due to the three-point system
