

Laserliner 081.257A DigiLevel Laser G80 Digital Electronic Spirit Level, 800mm

STOCK No. 32694 **BRAND** Laserliner

BARCODE 4021563704088

WARRANTY 4 Years

FEATURES

- Ideal length for almost all domestic jobs
- Exact alignment of slopes
- Slope memory permits the simple transfer of angles
- Comfortable overhead measurements thanks to flip display
- Good visibility through green laser technology
- Free hands when working on metal constructions thanks to magnetic holder
- Practical 360° angle display
- Acoustic guidance with 3 different signal tones
- Calibration: permanent accuracy via reverse measurement
- Supplied with batteries and a softbag

DESCRIPTION

The digital electronic spirit level provides accurate horizontal and vertical alignment as well as transfer of angles. The device has a green wall-line-laser for optical extension of the measuring surface. Easy to use due to flip display and acoustic guidance. The magnetic bracket offers the benefit of hands-free working on metal constructions. The 80 cm length is perfect for nearly all domestic work. Supplied with batteries and a softbag.

CONTENTS

- 1 x Laserliner 081.257A DigiLevel Laser G80 Digital Electronic Spirit Level, 800mm
- 1 x Batteries
- 1 x Softbag
