BARCODE 5059482072024

WARRANTY Lifetime

FEATURES

- Rugged zinc alloy construction for long-lasting service
- Retractable SK5 blade for safety
- Snap-off segment blade, coated for reduced friction
- Integrated belt clip for portability

DESCRIPTION

This retractable segment blade knife has a durable metal construction made of zinc alloy for long-lasting service. The blade has snap-off pre-cut sections to ensure the blade is always sharp. It is made from SK5 high carbon steel and has a blackened finish for reduced friction and enhanced performance. Additionally, the knife has an integrated metal belt clip for portability.
