

## Technical Data Sheet

### General

Article number : 8100

Description : Colad Undercoating Spray

### Specification

- Quick drying and recoatable.
- Color: black.
- Packing: 500 ml per spray, filled with propellant that does not harm the environment.
- Packing unit: per carton of 12 sprays.
- Production date: week and year under the spray bus and on the carton.
- Shelf life: 10 years.

### Remarks

- Colad Undercoating Spray can be used for rust prevention or as a sound deadening undercoating.
- Shake can before use.
- When you have finished spraying, hold container upside down and depress the nozzle until the product has cleared. This will clean the nozzle and enable the spray to be ready for the future use.
- High flammable.
