

Technical Data Sheet

General

Article number : 8400

Description: Colad Liquid Masking

Specification

- Color: yellowish.
- Viscosity: ready to spray.
- VOC-content: <1% (10 grams / liter).
- Hazardous: non-hazardous.
- Biodegradable: yes.
- Deliverable: in cans of 5 liters.
- Packing: per box of 4 x 5 liters
- Shelf life: 2 years.

Remarks

- Gives instant savings in time and material.
- Quick and easy to work with.
- A new alternative for masking a vehicle: instead of covering a car with conventional plastic sheets or paper, one layer of Liquid Masking may be applied.
- Simply apply with any kind of spray gun.
- Dries quickly.
- Forms a strong film which traps dirt and protects the vehicle from overspray.
- After the car repair process has been completed simply wash off with water.
