Hamach Workshop Stool

Workshop stool for a comfortable working position. Adjustable in height.

This workshop stool provides a comfortable working position, especially when working at difficult angles. It has a universal seat with gas springs, which makes the stool adjustable in height, and comes with a large magnetic tool tray in which you can easily store tools and small parts. The stool has a large seat area, which makes it very comfortable. Each workshop stool comes unassembled. Per piece.

Features and benefits of the workshop stool

- Large magnetic tool tray holder, for easy access to your tools and small parts
- Comfortable seat
- Vinyl covering which resists oil, grease and dirt
- Easy access to work areas at all times
