Colad Translucent Spraymask

The best solution for all your masking jobs!

Use the Translucent Spraymask for quick and efficient covering of a vehicle and protect it against overspray, dirt and dust.

Features and advantages

- Paint adhesion. With help of a special surface treatment paint adheres to the foil without possibilities of contaminating the surface.
- Static properties, clings to the object surface and makes it easier to cut
- Can be used with infrared drying (max. 120°C).
- The extra wide version is very suitable for sideways masking and therefore excellent for masking large vehicles like vans, SUV's and trucks (5 m and 6 m width!).
