### Remarks

*The solution that helps you organize your spray samples and protects them from scratching!  
Protect it, Organise it, Store it.*

These small carton sleeves provide room for one painted Colad Spray Sample. Basic information of the date, car type, color code and remarks can be listed on the sleeve. When stored, the color is visible at a glance through the square hole in the front of the sleeve.

All information is properly organized and your spray samples are protected against scratching. The round hole in the sleeve gives you the opportunity to store the samples hanging on a spray sample wall or in the Colad Spray Sample Cabinet.
