SMART Home Solutions

CAM640FL Black - L32533

Our DIY install, wired Wi-Fi Video Camera is designed to give you all year-round surveillance of your property and vehicles.

Whenever a motion is detected, the camera sends an alert to your mobile of any activity on your property and with its automatic floodlights, it enables you to see clearly in the darker nights. Dial in at any time to view your property and vehicles for that peace of mind.
