

Bellissimo

Door entry colour video from **bell system**

The bellissimo model BS video telephone is manufactured in white high-impact ABS plastic for high durability and has a 3.5" LCD colour display providing a high quality picture. The video telephone includes contrast and ringer volume controls and 'privacy of speech' on all systems. These telephones operate over long distances with a single CAT5 cable and have removable terminal blocks for ease of connection.

Model BS-DESK

The telephone has three 'soft-touch' silicone rubber push buttons that can be backlit and each has a clear and precise function symbol.

Each bellissimo system comprises of

- Model BS bellissimo colour video telephone(s)
- Model BSC4 telephone controller (one for every 4 telephones)
- Model BSP panel
- The relevant BSD controller
- 61 speech unit
- PS4A 12v DC 4 amp power supply unit
- Model 203 surface fail secure lock release
- Full wiring and installation manual
