Smart Plug (UK) 16A

The Amalock Smart Plug is the simplest way to make your home intelligent.

Along with the Video doorbells and cameras, these small internet paired devices are among the simplest and affordable ways to make your home more connected, enabling you to control your appliances remotely and set them a schedule from your smartphone.

If you're not home, have lamps go on and off to make it look like you are, or you can double check you definitely switched off your hair straighteners – we've all been there!
