As a result, we may not be able to serve your current demand for the Product. Please also note that we may not be able to confirm future purchase orders in full until the component supply is back to previous levels. Such orders shall not be deemed accepted.

We are currently unable to predict the duration of this disruption. Please be assured that we are in close contact with our suppliers and using all commercially reasonable means to leverage our global supply chain to address this situation and support our customers.

We regret any inconvenience this situation may cause you. Please contact your Henkel local sales representative if you have any questions or require further information.

Sincerely,

.....Samantha Dean..... 21.07.2026.....
