Subject: Supply disruption impacting LOCTITE STYCAST 82 SIRSW1 & 5952-1

Dear valued customer,

We regret having to inform you that the ability of Henkel to procure a raw material used in the production of the products listed in the Appendix below (the "Products") has been limited due to supply constraint at a supplier.

We are reviewing our ability to fill existing orders which have been already placed and confirmed for the Products. As a result, you may experience a delay in your deliveries. We will also need additional time to confirm new orders at least until the availability of the raw material has returned to previous levels. Such orders shall also not be deemed accepted.

Please be assured that we are in close contact with our supplier and using all commercially reasonable means to address this situation, support our customers and avoid any delivery disruption or delay to the extent possible.

Shall you have further questions please contact your Henkel local sales representative or customer service.

We regret any inconvenience this situation may cause to you and thank you for your understanding.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. Duplantier", written over a light blue horizontal line.

Romain Duplantier
