4 Drawer & 2 Door Cupboard Tool Trolley

Workshop trolley with an overall weight capacity of 160kg. Top of the trolley is covered in tough composite with built-in storage for small parts. Folding side tray with 5kg weight capacity. Tool storage slots on the side for easy-access to more frequently used tools. Internal locking system allows drawers and cupboard to be locked separately for added security. Four drawers with liners and ball-bearing slides, and a two door cupboard with magnetic doors. Drawers are made to fit all Sealey and Siegen tool trays, see pages 16 to 28. Four bottom corners are fitted with bumpers to help prevent damage when moving around the workshop. Fitted with four wheel, two fixed and two locking castors.

Overall Size (W x D x H):	690 x 470 x 835mm
Medium Drawer (x4):	535 x 405 x 67mm
Cupboard (x1):	560 x 440 x 370mm
