Materials & workmanship warranty summary:

- Sink materials & workmanship 10 years.
- Waste kits 1 year.
- Connecting pipework 1 year.

Care instructions summary:

- Clean the products regularly using soapy water and a non-abrasive cloth, regular cleaning will prevent the build-up of lime scale and dirt.
- Avoid contact with corrosive or abrasive substances.
- After cleaning rinse thoroughly with clean water then dry.
- For more detail see supplied booklet or www.abodedesigns.co.uk

The cut out size indicated is aligned with outside edge of the bowl top radius (similar to the example below).

If you create the cutout smaller or larger than the indicated size then the fit of the accessories may be affected and should be physically checked.

All details are provided in good faith but do not include the tolerances of the material or manufacturing process.

Abode can not accept liability for problems or costs incurred by failure to follow this request.

CAD cutout files can be
downloaded from

Technical drawing of a rectangular panel. The panel has a total width of 968 and a total height of 470. The width is divided into three sections: a left section of 300, a central section of 368, and a right section of 300. The central section contains a rounded rectangular label with the text "BOWL(S), OVERFLOW, TAP AREA". The right side of the panel features a vertical edge with a radius of R5.

Dishwasher under drainer? Distance from top of worktop to underside of the drainer 7 mm
