FISHER & PAYKEL

Why choose Samsung Home Appliances?

We are challenging the status quo of home appliances by designing innovations that adapt to our changing homes. From fridge freezers that go way beyond keeping food fresh, to ovens that let you cook more flexibly than ever. So you can come home to appliances that work around the happy chaos of our everyday lives and are a joy to use.

Why choose Fisher & Paykel?

Fisher & Paykel is a luxury appliance brand from New Zealand, created for people who see the kitchen as the heart of the home. We design beautiful, human-centred products that are simple to use and seamlessly integrate into all kitchens. From intuitive technology to refined finishes, every detail is crafted to make daily life easier, more sustainable and more enjoyable.

Cooking

Fisher & Paykel cooking appliances make every meal feel effortless. From precise, easy-to-use ovens to responsive hobs and powerful, quiet extraction, our cooking range is designed to deliver perfect results while looking right at home in any kitchen style.

Refrigeration

Our refrigeration range keeps food fresher for longer with intelligent temperature and humidity control. Choose from integrated columns, freestanding models or flexible drawer solutions – all designed to maximise space, run quietly and sit beautifully within your kitchen design.

Dishwashers

Fisher & Paykel dishwashers offer powerful, quiet cleaning with intuitive, flexible loading. From everyday dishes to delicate glassware, our dishwashers are designed to care for everything you use, while integrating seamlessly with the rest of your kitchen.

Cooking

Samsung appliances make cooking both very easy and very satisfying. Whether you're warming up leftovers, rustling up a ratatouille or having guests over for dinner, our thoughtful innovations and stylish design make cooking a pleasure.

Refrigeration

Samsung range of integrated Fridge Freezers slot tidily into your fitted kitchen and with SpaceMax™ technology there will still be plenty of storage space. Easy to install with a variety of fixed or sliding hinges.

Laundry

Life doesn't always go to plan. So Samsung Laundry Appliances have tons of brilliantly useful innovations to power through your washing and drying in smarter, faster and kinder ways.

Dishwashers

Loaded with slick technology, our dishwashers clean dishes like never before. From quick, everyday loads to clearing up after a dinner party, you can guarantee everything will be spot on and spotless.

Fisher & Paykel (United Kingdom) is rated **Excellent**

Live #LikeABosch

For more than 130 years, Bosch has stood for engineering excellence. Our appliances are celebrated for their quality, reliability, innovation and performance, delivering surprisingly simple solutions that make everyday life easier and more enjoyable.

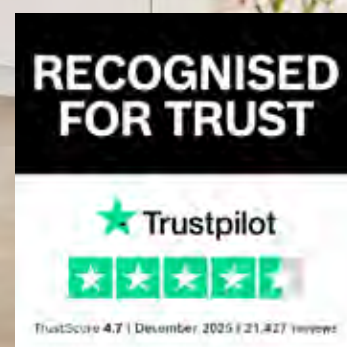

THE KITCHEN IS THE HEART OF THE HOME WITH THE ICONIC SLIDE & HIDE®

THE ONLY OVEN WITH A DISAPPEARING DOOR

Freedom in the kitchen is what makes us tick, so that's why we invented the Slide & Hide® oven door. Immerse yourself in the joy of cooking thanks to the innovative design that hides the oven door, getting you closer to the cooking and giving you freedom in the kitchen.

We are fully committed to providing excellent customer service and support earning us an excellent rating of 4.7* as of October 2025 with 20,144 reviews.

Fibo

Renew your kitchen in an afternoon

Tiles can be tough to keep clean – grout traps grease, stains, and dirt, making your kitchen feel like hard work. Fibo kitchen boards take the hassle away with a grout-free, antibacterial surface that wipes clean in seconds. Built to last, they combine timeless style with everyday practicality – no scrubbing, no worn-out tiles, just sleek finishes that keep your kitchen looking fresh for years.

Design

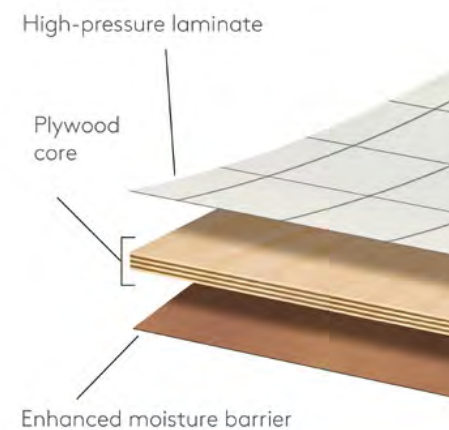

A look and feel like tiles, Fibo is the perfect alternative to tile. Unlike other manufacturers, we choose to carve out the grout line during the manufacturing process.

World class system

Our panels are made from a high-pressured laminate front, plywood core and a stabilising moisture backing. They can be glued to existing wall surfaces such as tiles, or screwed directly onto stud walls clicking together to create virtually invisible joint lines and watertight system along with our sealant and profiles.

Responsibly made

We only use PEFC-certified renewable plywood without harmful chemicals. Independent research confirms that our panels have a 37% lower carbon footprint than tiles when installed in a standard kitchen.

Scandinavian heritage and precision engineering make our system easy to fit with long lasting and effortless maintenance and design.

Profiles

- Use hidden internal corners if you want a seamless room with no metal strips in the corners
- Hide exposed edges with a J or L shape profile - this works with half walls
- Use an L shape for windows and boxing in

Our Home Appliances will be
with you for the journey

Samsung offers both outstanding innovation and durable, long-lasting performance. Our home appliances come with a 5-year parts and labour warranty¹ for extra peace of mind. Plus, Samsung provides 10 year warranty² on Digital Inverter Compressor for refrigeration and Digital Inverter Motor for Laundry. Efficient, quiet, and built to last.

It's another great reason to choose our appliances.

1. On selected products, available by redemption within 90 days of purchase, T&Cs apply.
2. 10 year warranty is limited to the compressor and inverter motor only. 10 year warranty applies to all refrigerators, washing machines, dryers sold on or after 1 April, 2026.

CHOP GRIND CHILL

EVERYTHING'S SO SIMPLE, WITH OUR NEXT GENERATION FOOD WASTE DISPOSERS

InSinkErator's Next Generation Food Waste Disposers make it easy to tackle peelings, scraps and leftovers; quickly, conveniently, hygienically. Just run the water, press the button and push waste into the plug hole. Completely safe to use, our disposers grind waste into small particles that pass through your plumbing, just like your wastewater.

All appliances are supported by a manufacturers guarantee for total peace of mind.

Returns Policy & Procedures

Pricing Information

All pricing displayed is at Recommended Retail excluding VAT. Whilst pricing was correct at the time of going to press, we reserve the right to alter prices at short notice for reasons out of our control e.g. currency fluctuations or manufacturer price updates. No further special terms apply to trade prices on promotional items. For the most up to date and accurate pricing and stock information please visit partners.pjh.uk or contact us on 0345 450 8932.

Promotions

We run frequent promotions on selected appliances, sinks & taps. For information on the latest offers, visit partners.pjh.uk.

Product Information

The basic product information in this brochure is intended as a guide only and more detailed information can be found on our PJH Partners Portal (partners.pjh.uk). However, in either case, we would recommend you consult the manufacturers literature or contact the appropriate Technical Service Department for exact specifications. Whilst every effort has been made to ensure the details contained in this brochure and online are correct, the product offered and conditions of sale may differ from those described or illustrated.

Deliveries

At the time of delivery, you must check all products for any sign of packaging or product damage and check the number of products delivered against the delivery note. You should report any damaged or missing products within seven days of delivery to our Customer Service Team on 0345 450 8932. Please note that we will not be responsible for any damaged or missing products under delivery which are not reported within this time.

Returns

A return can be requested for any faulty products that do not operate in line with manufacturers guidelines. A return can be requested for products that are surplus to requirements and must be returned within thirty days of delivery. Special order products that are surplus to requirements cannot be returned. The condition of the products must be confirmed at the point the return is requested. A return can be raised by calling our Customer Service Team on 0345 450 8932 or emailing sales@pjh.uk or via the PJH Partners Portal: partners.pjh.uk. An email will be sent (to the e-mail address you have provided) to confirm the return request has been raised.

Faulty Products

For faulty Prima appliance products, you should contact the dedicated Aftercare Team on 0344 576 6841 who will arrange for an engineer visit to inspect the product(s). Following inspection, faulty products will be repaired or replaced. For branded appliances, in all instances, the manufacturer will insist on repairing faulty products on site and must be given this opportunity. Contact details should be provided with your appliance(s), if you don't have these please call our Customer Service Team on 0345 450 8932. Sinks and taps that are returned as faulty will be returned to the manufacturer for inspection and credit will only be issued, in part or full, as agreed by the manufacturer.

Surplus to Requirements

Products must be returned within thirty days (of their original delivery) in their original packaging and in a re-saleable condition. PJH reserves the right to request photographs of the proposed returned products to confirm condition at the point of return. A standard re-stocking charge of £25 will apply, per order, and must be paid in line with our agreed payment terms. Any products that are surplus to requirements but reported outside of the thirty days from delivery are not eligible for return.

Collections

PJH will attempt to collect products, where reasonably possible, within three days of the return being raised. We will attempt two collections of the return, if both attempts fail, the return will be cancelled. At point of collection the goods returned must be presented in line with the reason for return. PJH drivers are instructed not to accept any products for return that do not comply with the criteria for products that are faulty or surplus to requirement. Collection of products by us does not imply that full credit will be given. If products are received in a condition not stated on the paperwork, PJH reserve the right to refuse any credit. Credits for returned products may take up to three days following PJH or manufacturer inspection. Please note: Manufacturer agreement times may vary.
