158/20 Highways/Environment

- a) **To discuss design and content of ECC Coastal Interpretation Signboard**

Cllrs. Barker and Tattam along with the Clerk had met to produce content for the signboard, a draft of which had been presented to councillors ahead of the meeting. It was **RESOLVED** that the content be approved but with three information categories on the left-hand side rather than four, leaving out the flora category.

- b) **To discuss Quay Street buoy project**

Cllr. Stocks proposed the use of wooden posts identical to those on South Street green rather than buoys as parking deterrents around Quay Street green. **RESOLVED** that the council use wooden posts and that the clerk prepare a new planning application on that basis. The clerk and Cllr. Stocks decided to meet to measure and agree number of posts required and distance between them.

- c) **To discuss active measures to reduce idling cars in town**

Cllr. Tattam proposed that the council invest in no idling signs to be placed in areas where idling is a particular problem such as South Street. The clerk was asked to query permissions required from ECC Highways for such signs to be installed. It was **RESOLVED** that temporary A4 laminated signs be produced in the meantime and given to relevant shop owners for display in their shop windows.

- d) **To consider quote from tree surgeon to trim two trees**

It was **RESOLVED** to accept the quote from J F Tree Specialist Ltd of £450 plus VAT to trim two trees. Planning applications will need to be submitted for both trees.

- e) **To discuss replacement of dead tree on Quay Street**

It was **RESOLVED** that the council would like to remove the dead tree on Quay Street green and that any form of replacement tree or shrub would be decided upon at a later stage. Cllr. Stocks suggested that the Manningtree & District / Frankenberg Partnership Association 50th anniversary flowerbed be planted on that part of the green instead.
