

# Product Lines and Applications

## Technology / Product Lines

## Application Markets

### Inertial System & Solution

- IMUs (6 / 9 DOF)
- VG / AHRS
- INS
- Static / Dynamic Tilt
- Tip Over Switches

- Precision AG
- Construction Equip.
- Unmanned Vehicles
- Motorcycle tip-over
- Platform Stabilization
- Mapping / Surveying
- Robotics & Control

### Thermal MEMS Sensors

- Gas Flow Sensors
- Differential Pressure Sensors
- Accelerometers

- Motorcycle tip-over
- Natural and other Gas Metering
- Industrial Processing
- Mass Airflow
- HVAC
- Medical

### Magnetic Sensors

- E-Compass Chips
- Current Sensors

- Server / Power Supply
- Electric Motors
- Power Factor Correction
- Smart phones
- Notebook / Tablet
- Watches / Wearables
