Door Furniture

NECO Push Panic Bolt

The NECO Push Panic Bolt is suitable for use on single or double leaf outward opening fire escape route doors.

Suitable for left or right hand doors.

Emergency exit sign and fittings included.

NECO Push Panic Latch

The NECO Push Panic Latch is suitable for use on single or double leaf outward opening fire escape route doors.

Suitable for left or right hand doors.

Emergency exit sign and fittings included.

NECO Flush Bolts

NECO Flush Bolts are used for securely locking dual aluminium or French Doors in both commercial and domestic locations.

They are morticed into the door to create a flush surface on either the front of the door or in-between two doors to securely bolt together.

NECO Twin Ball-Bearing Hinges

NECO Twin Ball Bearing Door Hinges are morticed into a heavy duty or fire door to enable smooth and flexible opening and closing.

Sold as a pair.
