

WELCOME BACK

Superkids Newsletter Autumn Term 2021

Newsletter is covering:

Page 1 = Welcome back! team updates, breakfast & after school club update, October half term.

Page 2 = Pick up and drop off times, reception parents, allergy and medication form update, club reminders and contact information.

Dear Parents and Guardians,

I hope you and your family have had an enjoyable summer, even if the weather this year was a bit... well, British. I am happy to say, we will be operating in a semi normal way – pre Covid, whilst maintaining some elements from last year. I have detailed as much information inside this newsletter for you. I plan to have a bulletin email for you by October half term on any further updates or changes.

😊 Team updates ☹️

We have just one change to the team. Abi, who worked inside the year 2 bubble and with the school, has decided to move on from Superkids. Abi is still working inside the school. The team and I will miss her and wish her all the best.

Shanice will be absent for the first 2 weeks of September whilst she settles Esmee (her daughter) into school life.

We are looking for a suitable replacement for Abi and I will keep you updated.

The Team:

Matt – Manager breakfast and after school
Shanice – Deputy manager after school club
Miranda – Playworker breakfast and after school
Syliva – Senior playworker breakfast club
Chris – Senior playworker breakfast and after school
Fabio – Assistant playworker breakfast & after school

Breakfast and after school club update.

No more bubbles! YAY!!! I'm sure the children will not know what to do with themselves, having all areas to access again and it will be nice to see younger and older children playing with each other again. Hot food will be back on the menu. There are various other things we will be working on to get the club back to pre-covid.

Although, everything has relaxed in schools and England. There are still a few things we will continue to do throughout the setting.

- The team will continue to take 2 lateral flow tests each week.
- Children will be encouraged to wash hands when arriving and before leaving for home.
- As always, children will wash hands before eating food.
- Dressing up clothes will be washed 24hours after use.

If you wish to discuss any issues, please let me know. I am currently working on the revised operational plan for the club, this will be added to the bulletin email.

We are open for the full 2 weeks this October half term holiday. Children will have the opportunity to input their activity ideas for week 1.

**Week 2 has been planned with a Monster theme.
We will be taking bookings from
Friday 17th September.**

Club drop off, pick up times and other door information

St. Marys have confirmed the school gates will continue to stay closed for security reasons. Therefore, we will continue to operate set drop off and pick up times for families. I have fully appreciated family's flexibility with gate opening times. Now we are mixing, and children have free flow around the club, I can amend these times. Please see below the revised times:

Breakfast club: Every 15 minutes
7:30, 7:45, 8, 8:15 and last drop off 8:30am.
Last breakfast run is 8:30, however if your child needs time to eat, arrive by 8:15am, thank you.

After school club: Every 15 minutes. 3:30, 3:45, 4:00, 4:15, 4:30, 4:45, 5:00, 5:15, 5:30, 5:45
last pick up 6pm

The team will come up to the gate. I will not be your main contact at the gate, however if you do miss me 😊 or you have anything you wish to discuss with me, please let me know and I can call or pop up to the gate for you.

Hello Reception Parents!

Welcome. I will be phoning you on Friday 3rd September regarding your child's place with us, along with settling into the club life. I will be free to answer any questions you may have. I look forward to getting to own your child.

Updated allergy, medication form and procedure

For children with prescription medication. Superkids have revised this procedure and you will be emailed with a revised medication form. If you have a care plan in place, we will require a copy. This can be photocopied at club. Those families with inhalers, EpiPens and any other emergency medication, please provide the club with this medication, as the club is required to hold its own medication for your child.

Club reminders

- Please text us if your child is not attending the after school club
- Please remind children in the morning, not to be too noisy for our neighbours.
- Invoices for September were issued to families on 22nd and 23rd August.

Other after school activities

Now for my newsletter test. Let's see if you have made it this far. Please let the team know if your child is going to any other enrichment sessions, so we can update our school collection rotas and make sure snack is ready for your child. Thank you.

Thank you. The team and I are looking forward to getting back to it!
