Partnership with Parents

Your needs are important too. To make you feel welcome and part of Superkids you are informed of club activities and information on our parent noticeboard. Superkids also issues periodic newsletters and welcomes your feedback and comments on all aspects of the Club. We are always happy to receive your suggestions and ideas. We will issue an annual survey to obtain your feedback on the club so that we can improve the service we offer you and your child. Our policies and procedures are always available for you to view.

Each child is allocated a member of staff as their keyperson who will observe and record their progress, developments and achievements and will assist them to overcome any challenges. Their keyperson will record this and discuss progress with you at intervals or more frequently if the need arises. Superkids will also offer you the opportunity to attend a termly open evening to discuss your child's progress. You can request to see your child's records at any time. A list of keyperson groups can be found on the parent noticeboard.

Partnership with Children

Children are involved in Superkids decision making as much as possible. They are heavily involved in creating the activity programme and weekly menu for the Club and producing a list of Club rules for behaviour and dealing with bullying. Children are encouraged to share their ideas and to make suggestions on improving the Club. The child's keyperson will always make time to listen to and talk with your child.

Food and Nutrition

Superkids After School club will provide a nutritious snack for children, for example: chicken or ham wraps, pasta, pitta with hummus, sandwiches / rolls, soups, with fruit and vegetables with fresh water daily and treats in moderation. Snacks will vary each day to ensure your child is offered and can experience a wider range of foods. Foods from different cultures will feature on the snack menu, especially around the time of festivals and as a means of raising awareness of different cultures. Children's independence is encouraged by "self-serving" at snack time.

Children are encouraged to let us know their food preferences and dislikes so that we can endeavour to meet this wherever possible. Please notify us if your child has any special dietary requirements or allergies and we will accommodate their dietary needs. The cost of snacks is included in the clubs fees.

Breakfast Club

The Breakfast Club opens at 7.30am each morning in the small hall, enabling parents to drop-off their children on the way to work or college. The club provides a breakfast of wholegrain and multigrain cereals, toast, fruit and yoghurt with juice or milk for the children before escorting them to class. Children should arrive before 8.30am to enable sufficient time for breakfast and a timely arrival to their classroom.

Equal Opportunities & Inclusion

Superkids operates an equal opportunities policy where we work towards eliminating discrimination based on gender, race, culture, religion, disability, age, marital status and nationality. This will be achieved by promoting positive self-image, self-esteem and anti-discriminatory practices, by respecting each other's diversity, languages, cultures, beliefs and principles. Should we identify a child with any additional needs we will offer support to the child and work closely with parents and other relevant agencies.

Superkids is committed to taking proactive steps to ensure that we provide a safe and caring environment that is free from discrimination, ensuring equality of opportunity and supporting children who are disabled or non-disabled or with additional needs. Superkids believes that children with disabilities or additional needs have a right to play, learn and be able to develop to their full potential alongside other children and as such will have access to the same facilities, activities and play opportunities as their peers with reasonable adjustments where necessary.

Staff

All staff are suitably qualified and experienced with Police checks (DBS). Staff participate in an ongoing training programme ensuring that best practices are implemented at all times. The club is staffed at a ratio of 1 adult to 10 children. Superkids is OFSTED registered and inspected to ensure that the quality of care is maintained to a high standard. Members of staff are required to conduct themselves at all time in a professional, courteous, helpful, warm and consistent manner and staff will dress appropriately for working with children and with regard of health and safety issues.
