

Business Affiliation to People Matter IW

The Isle of Wight's User Led Organisation

Does your business work with or support people living with any sort of disability or impairment? Older people? Family carers? People with mental health concerns, learning disability or difficulty? People in receipt of any support services? If the answer is yes, you can register to be affiliated to People Matter IW, an organisation which can provide a voice for all of the above.

Register for affiliation to People Matter IW by completing this form and returning it to: People Matter IW, The Independent Living Centre, Units 1 & 2 Bernard Way, Riverway, Newport, PO30 5YL. Tel: 01983 241494

People Matter IW assists with, or facilitates, groups for a wide range of Island residents with differing support needs. This includes groups for Older People, Learning Disabilities, Autism and Autistic Spectrum Conditions, Carers, Mental Health, Long Term Conditions and Parents Voice IW.

As a result of changes in the provision of both health and social care there is a very clear need for much more Service User involvement, for Service Users to be more fully consulted and also for Service Users to have a direct say in any and all changes in service delivery that affect them both as groups and as individuals. People Matter IW exists to embrace and assist this approach.

The groups are consulted on their own priorities which they, as Service Users, feel need to be investigated, discussed and addressed. This works well and we would now like to consult more widely and to a larger membership.

A copy of our Affiliation and Declaration form is overleaf and we would encourage you to sign-up to People Matter IW.

Please forward your application form to us at:
