A reading from the Acts of the Apostles:

Peter said to the people... you killed the prince of life. God, however, raised him from the dead; & to that fact we are the witnesses.

Reflection:

After curing a crippled beggar, Peter announces what the first generation of Christians & we believe: Christ is raised from the dead & a new age has dawned. The old order of death is passing away. Jesus is alive & his followers are showing in their words & actions bold signs of his healing presence working with them.

So we ask ourselves:

In what ways have I witnessed to my faith in the risen Christ? How am I a sign to others of Jesus' healing presence in the world?
