Dear Parents and Carers,

Zoolab

We were not disappointed with our special visitors this week. Milo, Prince Gary, Barry and Tallulah amongst others, visited Lee Brigg on Wednesday! The children found out lots of information and ask lots of questions about our special guests. If they were feeling brave they were allowed to hold or stroke the creatures too. Here are just a few photographs from the day.

KS1 Trip

Key stage 1 children are already looking forward to their trip on the 15th May to the Yorkshire Wildlife Park. May we politely remind parents to send in their contributions towards this trip, in order for it to be able to go ahead. The children will have the opportunity to take part in workshops, as well as explore the wildlife park. This is to compliment their science work on 'Animals and Habitats.'

Fortnite

It has been brought to my attention that a number of children have been playing games in the playground which focus on the computer game, 'Fortnite.' I have been advised that this game has a 12 certification due to the graphic content and is therefore not suitable for children of this age group.

Lunchtimes

Lunchtimes at Lee Brigg have just got even more exciting! Thanks to the ongoing support from the Friends of Lee Brigg, we have been able to provide the children with additional activities and resources. These include den building, large construction equipment, as well as props for the stage area.
