Dear Parent/Carer

I trust this letter finds you and your family well during what are undoubtedly challenging times. I would like to take this opportunity to thank you for your continued support, understanding and patience, they have been invaluable and a much needed tonic.

You will undoubtedly be aware that the Government delivered an update to the country on Sunday detailing its strategy for dealing with the Covid-19 crisis, particularly the reopening of schools. Supplementary guidance has since been issued to schools during the course of Monday and Tuesday. Over the next few days I will be consulting with Trustees, senior leaders of Waterton Academy Trust and other local educational partners to ascertain how best we implement said guidance across our family of schools.

Please be reassured that we undertake what is a complex and unprecedented task with the safety of every member of our community at the forefront of our thinking. We appreciate there will be concerns and worries and we will endeavor to address these wherever possible. Once finalised, arrangements will be communicated to all families on Thursday 21st May. Details will be communicated via the Trust and schools websites, social media, emails and letters.

Please continue to take care and stay safe.

Yours sincerely

Mr D Dickinson OBE
