

Tiger cubs (Nursery) end of year newsletter

As this will be, the last newsletter of this school year Mrs Hough and I would like to say many, many thanks for your continued support over the year.

*'It's time to say goodbye, our year has come to an end.*

*We have made many cherished memories and many small new friends.*

*We have watched your children learn and grow and change from day to day.*

*We hope that all the things we've done have helped in some small way.*

*So, it is with happy memories, we send them out the door.*

*With great hope and expectations for what next year holds in store.'*

Although this has been a very 'different' school year, working in partnership with you all has enabled the children to make fantastic progress in their learning and development. It has been an absolute pleasure to see your children blossom and grow. We are very proud of everything they have achieved, as we are sure you are too. Together, we have given the children 'the roots to grow and the wings to fly,' ready for their new adventure in school. Don't forget to watch 'the new to reception' video with your child so that you both can see where they will be going in September. We hope everyone will settle into school life very quickly and we will see the children remaining in nursery for another year in September.

Once again, we cannot thank you enough for all the support you have given to us and to your children. Many thanks for your weekly contributions, these have enabled your children to take part in lots of baking and tasting activities, which they have thoroughly enjoyed and we have been able to buy some new resources for our outdoor area.

We have missed us all being together and look forward to seeing you again in September. We hope that you all have a wonderful summer; hopefully, the sun will shine for us all again!

Please stay safe and keep well.

Love from Mrs Windsor and Mrs Hough xx
