Face Coverings

Dear Parents/ Carers,

Today we have received an email from Waterton Academy Trust asking all schools within our Trust to encourage parents and carers to wear a face covering whilst on school premises (when dropping children off/ collecting children).

Please help school to support this by wearing a face covering when you bring your child to school/ collect them from school.

With Wakefield entering Tier 3 restrictions, it is now more important than ever that we all do all that we can, to help stop the spread of coronavirus. The only way we will move out of Tier 3, is if we all play our part – this is especially important as we move towards the festive period.

Whilst this request is not enforceable, we are lucky to have a very supportive school community, and we know that parents and carers will work with us to keep everyone safe. Staff will be reminding parents and carers at the school gates.

As with all COVID measures, school has followed all guidelines and instructions from the Department for Education, Public Health & Waterton Academy Trust. With this in mind children and school staff will **not** be required to wear masks inside school, or when welcoming children at the door.

We will continue to update parents and carers and communicate any changes/ restrictions as we are made aware.

Thank you for your continued support and understanding.

Sarah Gordon
Executive Headteacher
