GUIDANCE FOR SCHOOL OPENING

Dear Parents and Carers,

You will have heard the Prime Minister indicating that the government believes it may be in a position to implement a phased re-opening of schools from 1st June 2020. This letter is to provide some clarity and some reassurance for you.

In the short term nothing has changed.

Schools are currently only permitted to open to offer care for the children of KEY WORKERS where there is **no** other arrangement in place to enable those children to **stay at home and stay safe**.

We will now be seeking more detailed information from the government, in order to clarify the conditions required to effectively provide a safe environment for all staff and children should this plan be put in place from the beginning of June and in this respect, I would like to ask for your patience.

To be clear, all of us want to get more pupils back into school **but only when we are assured that it is safe to do so**. As the Headteacher, my first priority will be the safety of everyone in the school community. I will update you as soon as I am in a position to do so. Thank you for your understanding in this matter.

In the meantime please can I remind you to contact school (01924 893829 or email admin@leebrigg.wakefield.sch.uk) if you have any further queries.

Yours sincerely

Sarah Gordon – Headteacher
