Play buried treasure Triangles (phase 3 +sh) Circles (phase 2 +o) https://www.phonicsplay.co.uk/resources/phase/2/buried-treasure</p>
<p>Language/Literacy activity Watch the video – What is a dinosaur? On DK find out. https://www.dkfindout.com/uk/video/dinosaurs-and-prehistoric-life/what-is-dinosaur-video/</p>	<p>Language/Literacy activity Draw and label your favourite dinosaur. Can you write some facts about your dinosaur (write the sounds you know).</p>	<p>Language/Literacy activity Learn about a different dinosaur (from books, DK find out or the internet). Draw and label your dinosaur and write a fact about it.</p>	<p>Language/Literacy activity Learn about a different dinosaur (from books, DK find out or the internet). Draw and label your dinosaur and write a fact about it.</p>	<p>Language/Literacy activity Put your fact sheets together to make your dinosaur fact book – add a front cover with a title and your name (author)</p>
<p>Maths (comparison of number) https://www.youtube.com/watch?v=PSIA-u ABmU (subitise video) Make some number cards 1-5 and use some small equipment eg cars, lego, bricks or any small toys you may have, Ask him/her to show you fewer, the same or more than the number they choose.</p>	<p>Maths (composition of number) https://www.bbc.co.uk/iplayer/episode/b08dr113/numberblocks-series-1-the-whole-of-me Then make a circle with a skipping rope, or draw with chalk and collect 5 bean bags, scrunched up paper, pebbles, stones or rolled up socks. Throw them into the circle – how many land inside, how many land outside? Ask him/her to record his/her results.</p>	<p>Maths (composition of number) https://www.youtube.com/watch?v=0VLxWIHRD4E (count to 20 song) Collect cubes/blocks/brick or something similar in 2 different colours. Ask them to build 2 towers of 5. Compare the towers. What is the same? What is different? How many towers can you build? (eg 2 blue and 3 red, 1 green and 4 yellow, 5 red and 0 blue) Repeat with towers of 4 cubes? Can he/she record his/her results?</p>	<p>Maths (composition of number) https://www.youtube.com/watch?v=MVzXKfr6e8&t=11s (active count to 20) Play how many are hidden? Collect 5 objects/toys. Hide some of them with a cover. Can he/she work out how many are hidden? Repeat several times. Play the game again using only 4 objects/toys. Can he/she record his/her results?</p>	<p>Maths (mass) https://www.youtube.com/watch?v=mO15bPK4TuE (active counting back) Heavier and lighter objects – print off the sheet on Teams or collect items from around the house and/or garden and sort into heavy and light. Maths mastery home learning challenge – Read the sheet on Teams. Or fill 2 bags - one with heavy, small objects and one with light big objects (without them seeing you). Can he/she predict which will be heavier/lighter?</p>
<p>Daily Reading (15 minutes) Please ensure your child reads each day to an adult and don't forget to read them a bedtime story!</p>	<p>Daily Reading (15 minutes) Please ensure your child reads each day to an adult and don't forget to read them a bedtime story!</p>	<p>Daily Reading (15 minutes) Please ensure your child reads each day to an adult and don't forget to read them a bedtime story!</p>	<p>Daily Reading (15 minutes) Please ensure your child reads each day to an adult and don't forget to read them a bedtime story!</p>	<p>Daily Reading (15 minutes) Please ensure your child reads each day to an adult and don't forget to read them a bedtime story!</p>

Extra challenges - You can do one per day, one per week or over a few days

Learn to draw a dinosaur

Follow the step by step instructions to learn to draw really good dinosaurs.

<https://artprojectsforkids.org/how-to-draw-simple-dinosaurs/>

Make a textured dinosaur

Use different types of paper, card, pasta, material or anything else you can find and make a dinosaur using different textures and materials.

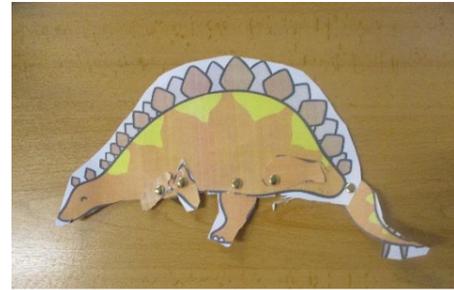

Cut and stick a dinosaur

Print off a dinosaur on Teams.

Carefully cut out the different parts of it and stick together.

You could glue, sellotape or a hole puncher and split pins.

Make a 3D dinosaur

Be as creative as you can and use anything recyclable to make a dinosaur which can stand up. You could also make a scene/background for your dinosaur(s).

Learn a dinosaur song

Follow the link and have fun joining in with the Storybots Dinosaur Songs -

<https://www.youtube.com/watch?v=4H0q9x3qVmU>

PE – Get Active Every Day!

PE With Joe Wicks

Get active with Joe Wicks on a Monday, Wednesday and Friday!
Click the picture to watch the videos!

Daily Mile

Can you calculate how many laps around your garden a mile is?
You could complete your daily mile!

Be Mindful

Go for a winter walk and use your senses to be as mindful as you can.
What can you see? What can you hear?
What can you smell?
How do you feel?

Create your own personal challenge!

Set a target for it and see how much you can improve.
No equipment? See how many times you can run across the garden in 30 seconds.
Got a ball? How many consecutive catches can you make!
Skipping rope? How many successful jumps can you achieve!

Useful Links (Just click or tap the pictures!)

Don't Forget...

- Please practise writing your name and your letters daily.
- This timetable can be reorganised to fit in with your family - but please try to engage in at least 3 hours of learning or activities each day.
- Mrs Taylor, Mrs Tutt or Mrs Guppy will call you every week to check your progress.
- We will look at issuing paper packs where required.
- If you need any help, please call school, email us or send a message on your TEAMS account.

If you need any help at all, please just get in touch with us on 01924 893829 / 07415 069904 (school hours only) or at leebriggadmin@watertonacademytrust.org.
