

Our sound of the week will be 'u'. Please support your child to bring an object in to nursery for our sound table such as umbrella or underpants. Please remember it is the sound we are learning, therefore, unicorn and utensils are not correct.

Our numbers of the week will be 2 and 7 and our number rhyme will be 5 little penguins.

All the children will soon have a 'bee' displayed on our Investors in Pupils board. The Investors in Pupils programme is an established national quality mark to recognise, develop and extend pupil voice and participation in schools, building young people's life skills, character and resilience. Your child will have a target on their bee. Once they achieve their target their bee will 'fly' to the hive and they will receive a certificate. It would be helpful if you could support your child at home with their target.

Next week our book room will become 'the artic'. The children will have the opportunity to read a variety of different books in our igloo!

We will learn facts about penguins and polar bears and we will listen to Vivaldi's winter piece of music.

Date for you diary: We will be holding a phonics 'Stay and Play' session on Tuesday 12th February. PLEASE NOTE: This session will be for the children who attend nursery in the morning. We will be holding a session for the children who attend the afternoon Nursery session at a later date. The session will allow you to articulate the letter sounds correctly and you will have the opportunity to observe your child take part in a nursery phonics activity. After this, you and your child will be able to explore and join in with some of the phonics activities we do in nursery. If you are unable to make the session, grandparents, relatives or family friends are welcome to come in your place to support your child.

If anyone has a CD player similar to the one in the book room that they no longer need we will happily take it off your hands. The CD players we have in nursery are well used and are not as reliable as they used to be. We are also in need of household items for our playhouse outdoors, such as a wall mirror, a wall clock, pictures for the wall, plastic cups, plates and bowls.

Thank you for your continued support. Enjoy the weekend, Mrs Windsor and Mrs Hough.
