Friday 16<sup>th</sup> March 2018

Dear Parents and Carers,

This week in school children in the Foundation Stage took part in a mini-kicks session. As well as having great fun, they were involved in activities to develop their balance, co-ordination and social skills. I think we may even have a few footballers in the making! Thank you to Mrs Tutt for organising this.

We also had a visit from Becky, who works with us in school from 'Future's in Mind.' Reception children took part in a session to learn about managing their feelings and the feelings of others. Becky will be joining us again in school next week to continue her work with the older children.

## Playground

I would like to take this opportunity to reiterate that any aggressive or threatening behaviour towards any member of staff on school premises will not be tolerated. The school and the Waterton Academy Trust take a very serious view on this type of behaviour. As parents I am sure that you will agree that this is not appropriate at any time and especially in front of children.

## After School Clubs

Next week is the last week for the sewing and construction after school clubs this half term. Due to 'Movie Night' on Tuesday, gymnastics and story club have been cancelled. Gymnastics club has been rearranged for the first Tuesday back after Easter. Details of the new clubs on offer will also be released after the Easter break.

## Movie Night

We are delighted that the Friends of Lee Brigg are holding a Movie Night for children next Tuesday after school. If you have not yet returned your permission form and your child would like to attend, then please do so on Monday. The event will take place straight from school and is due to finish at 5.00p.m. Please collect your children from their usual exit at home time. Children in Lion class will exit at the back of school alongside Tiger class.

## Normanton Council

We would like to thank Normanton Council for a donation of money that has been awarded to school. We will use these funds to continue to develop our outdoor area. We would like to thank Mrs Dixon-Child for securing the bid on the school's behalf.

## Parking

We have received some complaints from local residents in regards to the parking of parents and carers around school on a morning and an afternoon. We politely ask that you are respectful where you park at these times and mindful of the local residents.

## P.E. Kits

Please could all items of uniform, including P.E. kits be labelled with your child's name. We currently have a number of children's items missing so please could you check your child's belongings for any P.E. clothing that may not belong to them.
