

Our sound of the week will be 'r'. Please support your child to bring an object in to nursery for our sound table such as rabbit, rooster or robin.

To avoid objects being lost, can we please ask that you name the object you send in to nursery.

Our numbers of the week will be 3 and 8. We will continue to sing our 5 little penguin rhyme and practise our counting.

Next week's learning: The children will continue to enjoy reading a variety of books in our 'artic' book room.

They will explore balloons, filled with water, ice and air. This activity will enable the children to increase their vocabulary by talking about texture, weight and size.

To help us to learn about being healthy, the children will make and eat vegetable soup.

We will play snowmen number games and create winter collages.

We will find out lots of facts about polar bears and the children will produce stories using the toy artic animals.

Date for you diary: Our phonics 'Stay and Play' session will be on Tuesday 12<sup>th</sup> February. PLEASE NOTE: This session will be for the children who attend nursery in the morning. The session will start at 10.15am and will last for approximately 1 hour. Children come to nursery at the normal time.

Our class target for this half term is to remember to use our manners, by saying please and thank you. If we achieve our class target, the children have chosen to have hot chocolate and marshmallows as their reward. Can we please ask that you encourage your child to use their manners at home so that they understand what good manners are.

Paul Roberts Flooring has kindly donated some carpet tiles for our outdoor playhouse. We are still in need of household items such as a wall mirror, a wall clock, pictures for the wall and large kitchen utensils.

It is becoming quite muddy outdoors so we please ask that if possible you provide a pair of wellies for your child to keep at nursery.

Thank you for your continued support. Enjoy the weekend, Mrs Windsor and Mrs Hough.
