

Our sound of the week will be 's'. Please support your child to bring an object in to nursery for our sound table such as snake, sausage or sock .  
To avoid objects being lost, can we please ask that you name the object you send in to nursery.

**Next week's learning:** We are going to begin planting seeds. Our key text will be 'Oliver's Vegetables'.  
We are in need plants for the children to explore and investigate, if anyone has any that they could bring in for our plant display, we would be very grateful. Herbs, cactus, tomato plants, or any flowering plants are just a few that spring to mind.  
Just like 'Oliver', we will make and eat oven chips and learn about how to keep healthy.

Thank you for providing a photo of your child when they were a baby. If you have not sent one in yet, please bring one in on Monday. Please remember to put your child's name on the back of the photo.

Dates for you diary: **Easter 'Stay and Play' session: Tuesday April 2<sup>nd</sup>**. The session will last for approximately 1 hour. More details will be given nearer the time. We will be also having an **Easter Bonnet parade on Thursday April 4<sup>th</sup> at 10.45am for the morning session and 2.45pm for the afternoon session.**  
Our phonics 'Stay and Play' session will now take place in the summer term.

Our numbers of the week will be 3 and 7. The rhymes we say to help us remember these numbers are around the tree, round the tree, that's the way we make a 3 and across the sky and down from heaven that's the way we make a 7. You can help your child at home by pointing out numbers in the environment, reciting number names and counting different quantities in a variety of arrangements.

You may have noticed a new face in nursery. Miss Cootes is a teaching student and she will be with us until just after Easter.  
Thank you again for your continued support.  
Enjoy the weekend, Mrs Windsor and Mrs Hough.
