

Our sound of the week will be 'i'. Please support your child to bring an object in to nursery for our sound table such as ink, Iggle Piggle and Iguana. Please remember it is the sound we are learning, therefore ice-cream and iron are not correct. To avoid any objects being lost, can we please ask that you name the object you send in to nursery.

We will continue with number recognition. Please help your child at home by pointing out numbers in the environment.

We are sure you will agree with us that our outdoor area is looking fabulous (if you came to view it today). We still want to add lots more resources to make it even better! Our next project is to add new resources to the water area; therefore, we are going to hold a sponsored 'Jump, Up and Down Day' this half term. Further details will follow in our next newsletter.

Welcome to our new children and their families. We look forward to working in partnership with you so that we can help your children to become independent learners.

The children have really enjoyed our 'Super Hero' theme, therefore we will continue learning about 'Super Heroes' next week. Our story of the week will be Mega Boy. We will make Super hero puppets, Super Hero and princess number books and we will create lots of opportunities to write about Super Heroes (we want our boys to do more writing)!

We say goodbye to Miss Cootes today. She is moving on to another placement so we wish her well with her studies.

Class photographs will be taken on Wednesday 1st May can you please make sure your child is wearing school uniform on this day. Please also remember school will be closed on Thursday May 2nd as we have an INSET day.

Thank you again for all your support, have a lovely weekend
Mrs Windsor and Mrs Hough.
