

Our sound of the week will be 'm'. Please support your child to bring an object in to nursery for our sound table such as mirror, map, monkey.

To avoid any objects being lost, can we please remind you to name the object you send into nursery.

Our maths activities will include a positional language game called where is the Superhero/ Princess?

You can help your child at home by using positional language such as under, on, inside, next to, in front and behind.

Reminder: Please make sure your child's name is in their coat, cardigan/jumper and shoes.

Our sponsored 'Jump Up and Down' day will take place on Wednesday 22nd May.

Thank you again for your weekly 50p donations. We have recently bought some new spades for our outdoor sand area.

We are in need of clean empty milk cartons of different sizes for planting our summer flowers.

Next week's learning: We will continue with our super hero theme. We will look at how Superheroes keep healthy. We will make a super hero salad, make a superhero obstacle course and perform super hero exercises at wake up shake up.

At circle time, we will discuss acts of a Superhero, such as is it right or wrong to snatch toys? We will also talk about real life super heroes.

We will draw a Superhero, talk about his/her special powers and create a super hero using printing techniques in the paint area.

We will continue to use our indoor voices when we play inside so that we collect even more golden pebbles in our jar. Once the jar is full, we will have our Superhero/Princess party (hopefully on Friday 24th May). Children can come to Nursery dressed up as a Superhero or princess on this day. We do have princess dresses and superhero costumes that you can borrow if you do not have one. Please do not go out and buy one especially. You could even show off your creative skills by making a costume!

Please remember that school will be closed on Thursday May 23rd. Thank you again for all your support, have a lovely weekend Mrs Windsor and Mrs Hough.
