

Our sound of the week will be 'o'. Please support your child to bring an object into nursery for our sound table such octopus, octagon or orange. Please remember it is the sound that we are learning therefore oval and Olaf are not correct.

To avoid any objects being lost, can we please remind you to name the object you send into nursery.

Our topic '**Animal Adventures**' will continue. Next week we will learn about bees. Our key text will be 'Bumble Bear'. We will take part in lots of activities to help us to learn facts about bees.

Reminders: The new to Reception Class meeting is on Wednesday June 26th at 6pm, this **for the children going to school in September**. **Transition Day:** July 4th, for the children going to school in September. What fun we had when Farmer David and his animals came to visit. The children had the opportunity to feed and touch the animals and take the alpaca for a walk! They learnt how to keep safe near animals and enjoyed watching Mrs Windsor and Mrs Hough catch the duck and sheep when they escaped!

Once again, an enormous thank you to everyone for the sponsor money you have collected. We are overwhelmed with your generosity and we are looking forward to using our new water resources when they arrive.

Please remember our newsletters and information about events in Nursery and school can be found on our Parent Hub App. Mrs Dixon Child in the office can give you more information should you need it.

Thank you again for all your support, have a lovely weekend Mrs Windsor and Mrs Hough.
