

Our sound of the week will be 'c'. Please support your child to bring an object into nursery for our sound table such as candle, cat or cake. Please remember it is the sound that we are learning therefore celery and cellophane are not correct. **To avoid any objects being lost, can we please remind you to name the object you send into nursery.**

Our topic '**Animal Adventures**' will continue. Next week we will learn about frogs. Our key texts will be *The Big Wide Mouthed Frog* and *The Trouble with Tadpoles*. We will take part in lots of activities to help us to learn new facts.

Dates for your Diary: You and family members/friends are invited to the **Nursery Sports Day on Tuesday 16th July**. The morning sports day will begin at 10am and the afternoon sports day will begin at 2pm. Refreshments will be served afterwards in the nursery garden (depending on the weather). Our '**End of Year Show**' will be held on **Friday 19th July at 10.30am**. We will perform some of the songs and dances that we have learnt over the year. Family members and friends are welcome to come and watch. **All children need to attend nursery in the morning on this day 8.30-11.30am.** Please note: There will be no afternoon nursery session on this day.

The children who will be going in to the reception class in September are going to start to take part in PE sessions so that they become familiar with the hall and can practise dressing and undressing. The sessions will start on Monday 24th June. Please provide your child with a pair of shorts and a T-Shirt on this day (no trainers or pumps). The clothing can be any colour; it does not have to be a school PE kit. We will continue to do PE on a Monday, so please make sure you send your child with a PE kit on a Monday in a named bag (until further notice). **It is only the children going to school in September that will need to bring a PE kit.**

Reminders: We are sure that you all know the importance of reading to your child. Research has shown that children who are read to daily perform better academically. Please remember that you can borrow books from the nursery book room to read with your child at home.

Please remember our newsletters and information about events in nursery and school can be found on our Parent Hub App. Mrs Dixon Child in the office can give you more information should you need it.

Thank you again for all your support, have a lovely weekend
Mrs Windsor and Mrs Hough.
