

In phonics this week:

We will be learning about the letter sound s and a. We will sing the jolly phonic songs to go with these sounds. <https://www.youtube.com/watch?v=U2HYM9VXz9k> Each time we learn a sound, we learn the song and action.

When we write a ‘s’ we say slither down the snake. When we write an ‘a’ we say around the apple and down the leaf.

Phonics games we will play:

Clapping syllables- Have a selection of objects and clap the syllables to each word such as elephant (3 claps), dog (1 clap), helicopter (4 claps), aeroplane (3 claps), spider (2 claps), fire engine (4 claps).
Kim’s Game- place a variety of objects on a tray such as cat, pan, cup, dog, hat, tin, talk to your child about what is on the tray, cover the tray and remove an object without your child seeing it. Uncover the tray, can your child tell you which has disappeared? Can they segment the sounds of the object that has been removed such as c-a-t.
What am I? – Have a selection of objects in front of your child. Describe an object, can the child tell you the object that you are describing. Can your child segment the sounds in the object that they have identified such as boat would be b-oa-t
Odd one out- Have a selection of objects/pictures. Place 3 objects in a line, 2 that begin with s and another random object for example a sock, a snake and a cup. Ask your child, which is the odd one out and why. From experience think carefully about the 3 objects as if you put snake, sock and pig, they may say sock! Because it is not an animal.
Which order? Place 3 objects in front of your child. Say what they are in order left to right. Use a soft toy to muddle them up. Can your child remember the order that they were in. Make it harder by adding more objects.

In Maths, we will: Count to 10 with our friends

<https://www.youtube.com/watch?v=bMpeUL43ONg> and 12345 jump

<https://www.youtube.com/watch?v=85M1yxlCHpw>

We will also:

Touch count objects 1 to 5 then 1 to 10 First in a straight line, then randomly placed.	Count sounds (dropping objects into a pot)	Count objects that cannot be moved such as pictures 1-5 then 1-10	Dice game Roll the dice and collect the correct number of objects.
---	--	--	---

Our wake up shake up will be Shake Your Sillies Out

https://www.youtube.com/watch?v=NwT5oX_mqS0

Our dough disco will be to the tune The Lion Sleeps Tonight.

<https://www.youtube.com/watch?v=OQlByoPdG6c>

Our story of the week will be Owl Babies and we will use the Owl Babies activity plan.

Our circle time story on Wednesday will be While We Can’t Hug.
