

Playways Pre-school

February - March
Newsletter 2021

A warm welcome back!

I would really like to thank all of our families for their understanding and co-operation during the last term. I know it was very disruptive for everyone. Also thank you for all of your kind wishes to staff and children who have been affected by Covid-19. Hopefully, we can start to look forward to a better and brighter time for all of us this term!

Our new Facebook page seems to be doing very well. Thank you to everyone who has liked us and/or left us fantastic reviews it is very much appreciated. If you haven't seen it yet, then take a look at our page Playways Preschool.

Staff Training

All of the staff at Playways have recently completed an Infection Control Course to ensure that we are up to date with current legislation and keeping your children safe.

Garden

In our garden we will be weeding and tidying up. The children will be planting some vegetables seeds and renewing our bug hotel and hedgehog homes. If you have any small plastic plant pots spare we are collecting them for the allotments across the road. Please bring them in!

Covid-19

Please remember to adhere to the points agreed to in the parent's contract.

Children present symptoms differently to adults so please be extra vigilant if your child is unwell. Let's try and keep everyone safe.

World Book Day

Thursday 4th March is World Book Day. We invite the children to dress up as their favourite character from their favourite book. If your child does not attend on a Thursday, they are more than welcome to dress up another day they attend.

As a setting we actively promote the benefits of reading and storytelling with the children and encourage them to enjoy and familiarize themselves with books.

Red Nose Day

Monday 15th - 19th March 2021

During this week we will be holding fund raising events to raise money for **Red Nose Day**.

The children will be able to wear something red for a small donation towards Red Nose Day.
