### Welcome

A very warm welcome back to you all. We hope you have all had a lovely half term break and are looking forward to the last term of this school year.

For those children who are leaving Playways to start Primary school, we are in the process of contacting the local schools to try to arrange visits. Not all schools co-operate/Covid restrictions, but we will try our best to arrange something with them.

Transition into a new school and unfamiliar environment, for some children can be quite worrying and we try to make this process as stress free for the children as we can. It is important to reassure your child and encourage positive words and not to tell them how sad it is that they are leaving Playways. We will miss your children very much, but we must remain positive and put on a happy front!

### Sandals, Hats and Sun Cream

Now the weather is getting hotter, please ensure your child has sun cream on, a sun hat and are wearing suitable footwear for climbing and running around in our garden.

### Allotment Visit

These have proved to be a great success with the children. They have planted radishes and potatoes so far with more to come next term.

Don't forget that if your child does not attend preschool on a Monday morning, you are more than welcome to bring them along at 10.30am and join in the fun.
