Sharing your record

Patient Consent Form

We recognise the importance of protecting personal and confidential information in all that we do, and we will take care to meet our legal duties, as the law determines how organisations can use the personal information that we collect.

To support our statutory obligations, we must inform you of who we will share information with and allow you to determine whether or not you wish us to share the information that we have recorded about you within your patient record. You have the right to withdraw consent at any time and also to change who you wish us to share your information with. Should this be the case, we will inform the relevant partner organisations and advise them of your decision.

I, (Print Name), give/does not give (delete as appropriate) consent for my information to be shared to discuss the care that is provided to identify services and resources which could support my health and wellbeing.

For further information on who we share with and what steps we take to protect the information we hold, please speak to our patient advisors.

Please tick against each data set identifying if you wish/do not wish to share data

Record Sharing Initiative	I hereby give consent for my information to be shared.	I do not consent for my information to be shared.
